Focus Area 1.1

Safe & Healthy Community: Foster a safe, secure and healthy community through coordinated, efficient and effective public safety and human services.

Owner: Cindy Chapman

Update provided by Cindy Chapman on Aug 12, 2022 16:02:49

Highlights/completions: Issues & disruptions:

Highlights/completions: Davie County Sheriff's Office, Emergency Services, 911 Communications and Davie County Health & Human Services staff have been intentional about keeping our community members safe and healthy during this coronavirus outbreak. Staff members have worked closely with County Administration to keep everyone abreast of new developments and responses.

County Health Department has provided (and continues to provide) Covid booster shots at the Health Department location.

Davie County transitioned to Partners Local Management Entity / Managed Care Organization (LME-MCO) in November 2022.

Davie County now offers Family Medicine Healthcare services through Kintegra Health. Services include Adult well/sick care; Diabetes and chronic disease management; Preventative care; and Behavioral Health counseling.

Davie County Sheriff's Office began providing contract law enforcement services for the Town of Mocksville on July 1, 2022.

Davie County Communications implemented the Emergency Police Dispatch system in September 2021. Radio upgrades are in process.

Issues & disruptions: The onset of COVID-19 in March 2020 has affected every dimension of how services are provided. This is a major disruption that has continued to impact FY2021-2022. Departments have collaborated well to respond to community needs.

Focus Area 2.1

Growth & Infrastructure: Implement a deliberate and realistic strategy to balance a growing, thriving economy with an appreciation of our natural and agricultural resources.

Owner: Cindy Chapman

Update provided by Cindy Chapman on Aug 12, 2022 16:03:36

Highlights/completions: Issues & disruptions:

Highlights/completions: The recently adopted 20-year comprehensive plan is being used to map out future growth opportunities. Davie County Development Services continues to provide Planning & Zoning services to Bermuda Run and Mocksville. Farmington Road / Hwy 158 Site was rezoned to Industrial and Economic Development Commission is working with property owner to create a development plan. Economic Development is also currently working to further develop five industrial sites.

East Davie Sewer project has been completed. Davie County Public Utilities has completed the design activity for the joint water plant with the Town of Mocksville.

Issues & disruptions: The onset of COVID-19 in March 2020 has affected every dimension of how services are provided. This is a major disruption that has continued to impact FY2021-2022.

Focus Area 3.1  Progress 71%

Business Operations: Promote continuous improvement, high performance, exceptional customer service, transparency, accountability, and fiscal responsibility in all areas of government.

Goal: 5

Update provided by Cindy Chapman on Aug 12, 2022 16:04:12

Highlights/completions: Issues & disruptions:

Highlights/completions: County staff continues to promote continuous improvement, high performance and exceptional customer service while finding ways to respond to needs differently. The County has made efforts to engage with citizens through Community Conversations, virtual focus groups, social media posts, and a quarterly update in Davie Life magazine.

Technology Solutions staff has been focused on increasing revenues through GovDeals transactions and grant writing.

A GIS Portal has been in development since mid-2019 and represents a tremendous effort by Technology Solutions staff to build and deploy new servers, networking, and storage, as well as install and configure GIS applications. The portal will allow staff to build and publish web-based maps and applications to provide greater access to information that may have been difficult to locate or use. The Planning and Development application will make searching GIS information much simpler and now links septic system permits to the map. Other applications include a School Finder, Voting Precinct Finder, and School Demographics Dashboard.

Issues & disruptions: COVID-19 has impacted the service delivery of many projects. Staff members are using alternate methods to provide services to internal and external customers. Departments are working together to support one another's goals. COVID-19 will continue to create a fiscal burden for the organization.

Goal 3.1.1  Jul 01, 2021 - Jun 30, 2022 On Track Progress 69%
