**Goal 4.1.1**

Jul 01, 2021 - Jun 30, 2023

On Track

Progress 97%

Highlight economic impact of agriculture

Owner: Colleen Church

Update provided by Cindy Chapman on Jul 31, 2023 20:09:57

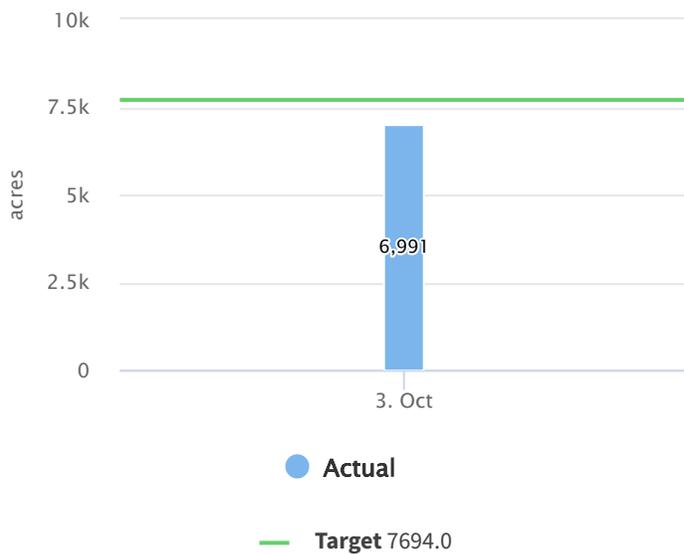

Update this period: VAD enrollment has been slow this year, but three farms have submitted applications for the upcoming July meeting.

**Acres enrolled in programs to protect working lands**

Number of acres enrolled in available programs that result in protection of working lands (Goal: 7,694 acres or more by June 30, 2023)

Owner: Colleen Church

Last Update: Nov 17, 2022 15:28:29

**Comment**

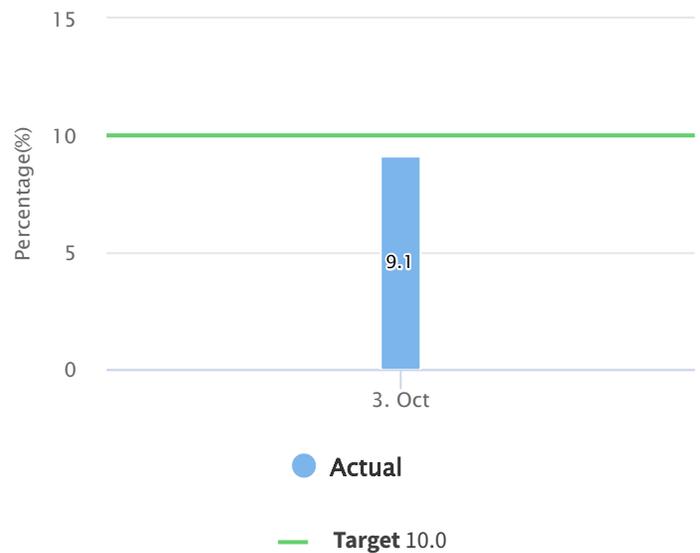

Cooperative Extension staff are working diligently to achieve the 10% goal. This is certainly a stretch goal since the 2017 Census of Agriculture (released in 2019) shows Davie County farmland acreage increased by 29% over the 2012 census. Total land in farms in 2012 was 59,618 acres and in 2017 was 76,933 acres.

**Percent of farmland enrolled in programs for protection of working lands**

Percentage of farmland enrolled in available programs that result in protection of working lands (goal: 10% or greater)
