

# Aging Services Community Advisory Committee

## Description

Community Advisory Committee (CAC) members for Nursing Homes and Adult Care Homes are trained volunteers. They are local citizens appointed by their county Board of Commissioners. These committees were established by the North Carolina State Legislature (G.S. 131D-31 and G.S. 131E-128) to be volunteer, grassroots advocates for residents in long-term care facilities. The committees cover Nursing Homes, Adult Care Homes, and Family Care Homes within their county.
