

DAVIE COUNTY 2025 APPRAISAL MANUAL

INTRODUCTION

This chapter contains all of the specific information which pertains directly to the County. Data contained in this chapter includes:

- Parcel Number Conventions
- Valuation Models
- Improvement Base Rate Schedules
- Improvement Depreciation Schedules
- Auxiliary Area Codes
- Land Use Codes
- Urban and Rural Land Schedules
- Other Building Schedules
- Extra Feature Schedules

PARCEL NUMBER CONVENTIONS

The following is the format of the County parcel number as required for coding all input data.

This number is edited to help prevent incorrect data from reaching the Master Appraisal File. In addition, proper use of this format on the Tax Roll File will enable the Master Appraisal File and Tax Roll Files to be matched for automated transfer of data between these two computer files.

DAVIE COUNTY PARCEL NUMBER CONVENTIONS

07 - 09	Lot	Numeric
10 - 11	Dividend Interest	Numeric
12	Leasehold	Alpha

DAVIE COUNTY 2025 APPRAISAL MANUAL

VALUATION MODELS

The following valuation models are the mathematical expressions of value used in determining estimated market value.

The quality factors and formulas for determining the index values of each are shown. All fields shown require an entry even though the entry may be zero or blank.

Buildings or other features that do not conform to the description defined in this chapter will be priced either through the actual cost, less depreciation, found in the area or through the use of Marshall & Swift Residential Cost Handbook or Marshall Valuation Service.

Sales and cost data, from several sources, were also used to help develop these Schedules and are by reference incorporated as part of the supporting data for these Schedules, Standards and Rules. This data, except any confidential income and expense information, is available for review in the office of the county assessor.

DAVIE COUNTY 2025 APPRAISAL MANUAL

MANUFACTURED HOUSING

§ G.S. 105-273(13)

Real property, real estate, or land – Any of the following:

- (a) The land itself.
- (b) Buildings, structures, improvements, or permanent fixtures on land.
- (c) All rights and privileges belonging or in any way appertaining to the property.
- (d) A manufactured home as defined in G.S. 143-143.9(6), unless it is considered tangible personal property for failure to meet all of the following requirements:
 - (1) It is a residential structure.
 - (2) It has the moving hitch, wheels, and axles removed.
 - (3) It is placed upon a permanent foundation either on land owned by the owner of the manufactured home or on land in which the owner of the manufactured home has a leasehold interest pursuant to a lease with a primary term of at least 20 years and the lease expressly provides for disposition of the manufactured home upon termination of the lease.

§ G.S. 143-143.9(6)

“Manufactured home” or mobile home” means a structure, transportable in one or more sections, which, in the traveling mode, is eight feet or more in width or is 40 feet or more in length, or when erected on site, is 320 or more square feet, and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities, and includes the plumbing, heating, air conditioning, and electrical systems contained therein.

DAVIE COUNTY 2025 APPRAISAL MANUAL

DAVIE COUNTY PROCEDURE

1. All modular homes (59/01), used for residential purposes, are built to the same standards site-built homes under the North State Building Code. Modular homes should be assessed as real property. Modular homes located on the land of someone other than the owner of the home should be considered real property and listed on a “B” card under the homeowner’s name.
2. All multi-sectional manufactured (0202) homes that have had the tongue, axle, and wheels removed, are set up on a foundation that meets code, are on the owners land, and used for residential purposes are to be listed as real property.
3. All single-sectional manufactured (0302) homes that have had the tongue, axle, and wheels removed, are set up on a foundation that meets code, are on the owners land, and used for residential purposes are to be listed as real property.
4. All single-sectional or multi-sectional manufactured homes that have **not** had the tongue, axle or wheels removed, or are **not** set up on a foundation that meets code, or are **not** on the owners land are to be listed as personal property. Improvements such as porches, decks, storage buildings etc. are to be listed as personal property also (real property appraisers will provide the description and dimensions to the personal property staff). If the home is listed as personal property, a mobile home site is added to the land as well as other improvements to the land such as paving. The exception to this rule is when the owner of the home is buying the land through a land contract. In this case the land remains in the name of the seller and becomes an “A” card until it is paid off. The home and all improvements are to be listed as real property on a “B”.

Note: The only foundation required by the building code for a manufactured home is footings and piers. The footings are either of poured concrete type or a pre-cast solid concrete pad.

OTHER BUILDINGS AND EXTRA FEATURES (OBXF)

Introduction

All buildings are not compatible to the appraisal system due to the nature of the materials, quality and/or methods used in their construction. A few of the Buildings in this category can be coded as auxiliary areas if an appropriate Improvement Use Code, Model and Base Rate are available. This section will contain a range of typical special buildings and extra features which may not exactly describe a specific improvement; however, it will closely resemble one listed and direct substitution can be made to arrive at the proper value. Any improvement that cannot be appropriately valued from this manual may be priced either using the actual cost or through the use of Marshall Swift Pricing Service either adjusted to the appropriate appraisal date. A separate price schedule follows with the listing of each type arranged by general grades and common sizes. Interpolation of buildings fitting between the grades or sizes or with varying specifications is appropriate.

DAVIE COUNTY 2025 APPRAISAL MANUAL

The unit price schedule, which follows is meant to be a guide and the total value of each extra feature/other building will be adjusted as appropriate by the appraiser for normal depreciation and the current condition of the actual feature or building. Items not included in this section will be priced either using the actual cost or through the use of Marshall Swift Pricing Service either adjusted to the appropriate appraisal date.

Index of Unit Prices

The unit price schedule which follows is meant to be a guide. The total value of each extra feature/other building will be adjusted as appropriate by the appraiser for normal depreciation and the current condition of the actual feature or building. Items not included in this section will be priced either through the actual cost found in the area or through the use of Marshall Swift pricing service.

AIR CONDITIONING (62) (Per Square Foot) (5% Depreciation)

<u>Above Average</u> \$8.00 - \$9.00	<u>Average</u> \$6.50 - \$7.50	<u>Below Average</u> \$4.00 - \$5.00
---	-----------------------------------	---

APRON (89) (SEE POOLS)

BACK STOP /FENCING (A1) (5% Depreciation)

\$6.00 - \$14.00	\$4.00 - \$6.00

GARAGES - DETACHED RESIDENTIAL (02) (Per Square Foot) (3% Depreciation)

Detached garages that are built to the exact specifications of the dwelling or built with apartments in the upper floor should be sketched on the property record card as an auxiliary area. All other garages may be priced from this schedule using the same quality judgment used to rate dwellings.

<u>Quality</u>		
Fair	\$ 20.00 - \$ 39.00	No interior finish
Average	\$ 40.00 - \$ 59.00	Add \$4.35 per sq. ft. for finish
Above Average	\$ 60.00 - \$ 79.00	Add \$5.80 per sq. ft. for finish
Good	\$ 80.00 - \$ 99.00	Finish included in base
Custom	\$100.00 - \$120.00	Finish included in base

*Add 50% for Upper Floor Finished living area. For living area over detached garage, use 165% of the detached garage price for rooms with full exterior walls and 135% of detached garage price for area with high pitched roof.

GAZEBO (55) (Per Square Foot) (3% Depreciation)

Gazebos may be priced from this schedule using the same quality judgment used to rate dwellings.

<u>Very Good</u>	<u>Good</u>	<u>Above Average</u>	<u>Average</u>	<u>Fair</u>
\$99.00	\$84.00	\$55.00	\$45.00	\$36.00

DAVIE COUNTY 2025 APPRAISAL MANUAL

GOLF COURSES (32) (Per Hole) (0% Depreciation)

Price includes normal grading, sprinkler systems, service roads and cart paths and architect fees.

Class I - Championship: \$200,000 - \$450,000

Typical Features: 160 to 200 acres
6,700 to 7,000 yards long
Bunkered and contoured greens and fairways
Good undulating terrain with many large trees
Driving range
Name architect
Automatic sprinklers for greens and fairways
Paved cart paths

Class II - Private Club: \$125,000 - \$200,000

Typical Features: 120 to 160 acres
6,400 yards to 6,700 yards
Bunkered at most greens
Undulating terrain with large trees
Driving range
Sprinklers manual or automatic
Paved cart paths

Class III - Semi-Private and Municipal Clubs: \$75,000 - \$125,000

Typical Features: 100 to 120 acres
6,000 yards to 6,400 yards
Bunkered at most greens
Undulating terrain and some large trees
Greens sprinkled
Paved cart paths

Class IV - Minimum Quality: \$40,000 - \$75,000

Typical Features: 80 to 100 acres
5,600 yards to 6,000 yards
Open flat terrain
Few bunkers
Gravel or some paving cart paths

This schedule represents replacement cost. Depreciation may be used to consider economic factors.

GOLF COURSES - MINIATURE (85) (Per Hole) (0% Depreciation)

Minimum Quality \$1,500 - \$4,575

Typical Features: .25 acres
Simple course, prepackaged, flat terrain, including lighting

Average Quality \$5,825 - \$18,225

Typical Features: .25 to .5 acres
Professionally designed and installed, includes plumbing and lighting

Good Quality \$19,000 - \$43,500

Typical Features: .50 to 1.00 acres
Custom course, extensive themes with major elevation, rock and
waterscape layout

These prices do not include buildings and parking.

DAVIE COUNTY 2025 APPRAISAL MANUAL

GRAIN BINS FARM (21) (Per Bushel) (5% Depreciation)

Metal On Slab/Ventilated Floor

<u>Bushels</u>	<u>Price Per Bu</u>	<u>Subtract No Floor</u>	<u>Add Unloaders</u>	<u>Add For Drying Units</u>
0-3,000 Bu	3.35	.12	.19	.77
3,001-4,500 Bu	3.00	.11	.15	.55
4,501-6,000 Bu	2.85	.10	.13	.43

All leasehold improvements are to be listed on the business listing form by year of acquisition at 100% of the cost by the lessee as personal property or leasehold improvements to real property to be taxed as personal property.

Mobile Homes on Leasehold

All mobile homes classed as personal property and not owned by the land owner will be assessed according to the real property schedules of values. The calculated value will then be discounted 20%. This discount adjusts for the cost of potential removal and relocation.

DAVIE COUNTY 2025 APPRAISAL MANUAL

THE APPEALS PROCESS

Revaluation Notices

Notices will be mailed to all completed parcels with the reason for change listed as “County Wide Revaluation”. When notice is received if you have any questions please call the Davie County Tax Office. Deeded and assessed acres can differ due to right-of-way and land divisions. If a parcel has been split the deeded acres will not change just the assessed on the parent parcel. The market value reflects the market value at the time of the revaluation. If your home is under-construction the market value reflects the land at market value and the percent completion of construction as of January 1 of that year.

Davie County Assessor Informal Review

Taxpayers wishing to request an informal review of their value must complete the Informal Review Form in its entirety and return it to us within **30 days of the date of the notice**. Any form post marked by the 30th day will be accepted as timely filed. If a postmark cannot be read or is not present the form will be considered received on the date it arrived in our office. Faxed copies of the appeal form are not acceptable. Once a timely filed Informal Review Form is received one of our appraisers will review the value and send the taxpayer a new notice. Taxpayers that receive these notices and still do not agree with the assessed value may file an appeal to the Board of Equalization and Review. Likewise, any taxpayer that failed to file their request for an informal review within the 30 days may file an appeal to the Board of E & R as long as they do so prior to the Board’s Adjournment.

Davie County Board of Equalization and Review

These appeals may be filed any time prior to the adjournment of the Board for the purposes of accepting appeals. This date will be advertised in the local paper and is usually in late April. Anyone that receives a notice of value after the Board adjourns will have 30 days from the date of the notice to file an appeal to the Board. All requests to appeal to the Board must be made in writing either by letter or on the Request to Appeal Form that will be attached to the Notice of Decision from the informal review process. All Board requests are to be sent to Secretary to the Board for processing. Anyone that request to appeal to the Board will receive an Application for Hearing from the Board and must fill it out and return it within 30 days. Once the Application for Hearing is returned one of our appraisers will re-inspect the property and review all available information. If our appraiser and the taxpayer reach an agreement the case may be settled by completing and signing an Assessment Agreement which will be presented to the Board for final approval. If an assessment agreement is not reached the taxpayer will be notified of the date and time of the hearing. At the hearing the taxpayer will be able to present their evidence and testimony to the Board and a county appraiser will present the county’s evidence and make a recommendation to the Board. Within 30 days after the Board meeting the taxpayer will receive a Notice of Decision from the Board indicating the Board’s determination. The taxpayer has 30 days from the date of the Notice of Decision to file an appeal of the Board’s decision to the N.C. Property Tax Commission.

North Carolina Property Tax Commission (PTC)

These appeals must be filed within 30 days of the date of the Notice of Decision from the Davie County Board of Equalization and Review. These appeals are typically heard in Raleigh. The PTC is made up of 5 members appointed by the Governor and the Legislature. An individual taxpayer may present evidence to the PTC without the assistance of an attorney but non-individual owners must have an attorney represent them. These appeals may take months or years to schedule and hear. Prior to the hearing, representatives of the Department of Revenue will meet with the County and the taxpayer to review the merits of the case and resolve them when possible. The taxpayer or the County may appeal the decision of the PTC to the Court of Appeals.

North Carolina Court of Appeals

The Court of Appeals hears all appeals from the Property Tax Commission. The taxpayer or the County may appeal the decision of the Court of Appeals to the N.C. Supreme Court.

DAVIE COUNTY 2025 APPRAISAL MANUAL

North Carolina Supreme Court

The N.C. Supreme Court hears all appeals from the Court of Appeals. There are no appeals of the decision of the Supreme Court.
