Important Policy Information

Full details of the following items can be found on our website.

- **Character Development Initiative:** The essential key ingredient of this is to allow participants the opportunity to respond individually or as a group to what the best solution(s) are in the given scenario which represents good character. This allows our youth to be more receptive and retain information, which can ultimately transition onto the court, the field, at home, in the classroom and in the general public.
- **Zero Tolerance Policy:** We understand that athletics are competitive by nature; however as a department we've taken a proactive, zero tolerance stance towards unsportsmanlike act or conduct deemed inappropriate at any DCRP sponsored athletics. This policy will apply to all players, coaches, parents, and spectators.

Equipment

Game shirts will be provided by DCRP. Parents will need to provide a pair of shorts and non-marking athletic shoes.
