Relocating existing stick built home. There will be a new foundation, septic, water and electrical feed. There will be repairs associated with the moving of the home involving various trades, but the owner is not interested in any new updates. The owner would also like to salvage as much as possible from the existing home including MEP components. The only change noted for the existing home is where the existing fireplace is located. The home owner wants to fill this area in. He no longer wants a fireplace. The objective is to be as cost effective as possible.	Davie County	80000
Replace carport except for brick columns. Replacement of all framing, sheeting, and shingles..	Bermuda Run	7800
