Description of Project**Total construction cost including MEP's (Mechanical, Electrical and Plumbing)**

Installation of 2 garage doors	8000
Bathroom remodel, I am now going to remodel an existing small bathroom where I am basically changing the floorplan in the existing space to make it more usable and to create better mobility in it. I have attached a drawing showing the "Before" and "After". I spoke with someone at your Building Department and they told me to just send a simple drawing showing how it as it currently is (the "Before") and how it will be (the "After")once it is renovated. Thank you! Gettys Knox Cell : (336)971-3303	7500
Installation of 12 residential solar panels	15000
deck	5700
Installing 20 PV solar modules on existing roof structure, 7.900kW.	61868.4
I am wanting to pour some footings on the left side of my home and gradually add on. I will need the footings inspected and a permit for them.	32000
Installation of a PV, roof-mounted 6.720 kW solar system with 16 panels, 1 Tesla Powerwall & 1 Tesla Energy Gateway (TEG) *SHUTDOWN REQUIRED TO INSTALL TEG*	46903
Installation of 5 Helical Piers to help stabilize the existing foundation.	11185
Tear down existing 12x12 deck, replace with new	3062
Installation of roof mounted solar panels array via DOI opt 2 and Install (1) Tesla Power Wall	43818
13x20 foot covered porch, on top of existing patio	23500
New deck in same footprint as existing deck. 5" thick, 16" diameter precast footers rated for 8500 PSI	7441
Installing basement gutter, sump, and dehu. Using pre-existing electrical.	21867.22
install 7x18 ft covered porch	10800
19x14' gabe roof addition on back of home to create covered patio	21555
Finish basement of residence to include, framing, electrical, plumbing, HVAC, sheetrock and paint. Close in existing screened in porch. Install new windows, insulation, electrical, sheetrock and trim	51000
We are adding a 10x10 deck to the side. We are removing the window and adding a doorway.	7247
Removing loadbearing wall adding 3/ 18 inch LVL's per engineers specs, adding 55 Hunter roof panels, removing interior fascade of fireplace and reinstalling. Electrical work will be moving three electrical drops. Client is using their own HVAC contractor.	100610.8
TOTAL	479057.42
