Total Heated Square Footage	Total Non Heated Square Footage	Jurisdiction	Description of Project	Total Construction Cost (mech, elec and plbg)
2304		Davie County	General upfit and finishing of existing rough trades, as well as new electrical service and power hook up, and tapping into the public water.	20000
	8850	Mocksville	Construct new non-climate controlled self-storage	160000
4488		Davie County	Build new fellowship hall to existing church	550000
	1455	Davie County	Addition of 1 truck bay to Farmington Fire Dept.	175000
			We are going to create an outdoor furniture area in part of our existing parking lot. We will add a double door on the side of our building which will lead to a concrete patio where we will show and sell outdoor furniture. The patio will be covered by a metal awning. The awning area will be enclosed by a 8 foot tall black aluminum fence. The fence will have two emergency exits. Stamped plans are available.
