Groundworks North LLC	Installing basement gutter and sump. Electrician to install outlet.	Mocksville	23271.04
	Project is an addition of a 5'x14' section to the existing 12'x14' deck. The addition will be replacing the existing deck landing and stairs with new deck area. The footprint will change due to the stairs becoming a single set of stairs. The new stairs will run parallel to the house in the same general area as the stairs currently on the south side of the deck. The addition does not encroach onto the septic system tank area or leach field, there is no change in impact to that system.	Davie County	11000
Slate & Cedar, LLC	Outdoor Kitchen Island 8'x7'Slate & Cedar Outdoors proposes the installation of a custom built outdoor kitchen island. We will build the stone & masonry in an "L" shape, one side being 8' long by 36" deep, with a countertop being 36" high, and the other side being 7' long by 30" deep, with a bar top being 42' high.The foundation of the new outdoor kitchen island will be a newly poured steel-reinforced concrete slab footing. The kitchen island will then constructed with solid masonry block, veneered with manufactured stone, and the countertops will be natural quartzitic sandstone slabs.	Mocksville	12500
NC Solar Now Inc	Installation of roof mounted solar panels array via DOI opt 2 and Install of (1) Tesla power wall 3. Also, same day utility reconnect inspections needed for service work before finals.	Davie County	29637
