READING INCENTIVE PROGRAMS- Sign-up begins on Monday June 18 and is ongoing through Aug 6.

The purpose of incentive programs is to encourage reading everyday/regularly throughout the summer. Participants choose between two programs; the easy timed reading **Easy Timed Reading** or the **Challenge with Activities**. Age is not a consideration; rather the reader's ability and desire determine which program is best for each individual. **The Easy Record** is based on reading / listening to at least 15 minutes of literature each day, enter the number of minutes read on the sheet. Prizes are based on reading or attending a program each day of the week earning small prizes and free books when goals are met. **The Challenge Record** involves completing four tasks and recording the number of minutes read each day, then returning the reading record to collect noted prizes. As a guide, 40 min a day, 5 days a week over 8 weeks equals 1,600. Opportunities to earn 2 free books are available.

Monday evening Programs- **7/2 & 7/23 6 pm Red boxes=Adult** & the rest are **Family Shows at 6:30 pm except 7/16 is 6pm** - all programs are available to the public regardless of SRP registration.
