NC Highway Historical Marker Program

In 1935 the North Carolina General Assembly authorized the establishment of the North Carolina Highway Historical Marker Program (Public Laws, Chapter 197). From that time forward, the program has been administered as a cooperative venture among state agencies. The North Carolina Highway Historical Marker Program is one of the oldest such programs in continuous operation in the United States.

Commemorative Landscapes of NC

"Commemorative Landscapes of North Carolina" documents the state's history through a spatially based presentation of commemorative monuments, shrines, and public art. This digital collection enables users to visualize and analyze the historical memory of the state of North Carolina by viewing famous and little known sites of memory on modern and historic maps.
