Explanation of Charges

Late Fee After the 10th - is applied to any account with a balance due after the initial due date, which is always on the 10th of even months.

Service Charge for Non-Payment After the 24th - this charge will apply to any past due account after the 24th of the initial due date whether the water service is physically disconnected or left on as a courtesy of staff.

Meter Extraction Fee - charged to customers with a history of returned checks and unauthorized connection or re-connection of water service. The water meter is removed from the premises.

Meter Yoke Extraction Fee - when a water meter is extracted from a service location and an unauthorized replacement is put in its place, the meter yoke will be removed.

Non Metered Hydrant Use - When a fire hydrant is being used or tampered with, without the permission of Davie County Public Utilities.

Returned Check Fee - will be collected on any check or bank draft not honored by your financial institution. Upon receipt of the returned item you will be given 7 days written notice to make a cash payment equal to the returned item plus the service charge. We reserve the right to request cash-only payments when two payments have been returned during the previous 12 months.

Meter Tampering/Cut Lock - If tampering occurs at a residence one or more times, Davie County has the right to remove the water meter. If meter removal occurs due to tampering or non-payment of account, the customer will be assessed at the time of service restoration plus applicable fees for any required repairs if damage to the lines, meter or box occurred. Service restoration will occur when the account balance is paid in full.

Damage Fees from other Utilities – per hour plus parts this is paid by utility company that does the damage to Davie County Utilities

Meter Re-Read Charge - Excessive meter re-read request (2 or more a year) will be assessed each time a customer requests verification of the meter reading obtained by Davie County and the reading is validated as correct. If the original reading is found to be invalid, the customer will not be assessed this fee
