The Department will establish safeguards to prevent the appearance of or actual conflicts of interest or personal gain including, but not limited to the adoption of an ethics policy.

The Department will comply with all State and Federal laws applicable to the Department as a non-profit corporation.

## **SECTION 6 - INSURANCE SERVICES OFFICE RATING**

The Department agrees to engage in efforts to maintain or improve its rating (as of the Effective Date of this Agreement) with the North Carolina Department of Insurance and the Insurance Services Office, Inc., ("ISO") throughout the term of this Agreement. The Department agrees that its goal will be to have an ISO rating no poorer than a 9S (but its goal will be to strive to achieve a Class 6) rating for the territory within five (5) road miles of the main station or substation(s), and no poorer than a 9E for the territory more than (5) road miles but less than six (6) miles from the main station or substation(s). If any part of the fire district lies further than six (6) road miles from the main station or substation and is classified as a Class 10 rated area, the Department shall endeavor in good faith and with due diligence to eliminate such areas. The Department shall endeavor in good faith to meet the above goal of a Class 6 rating, using a method 3 style rating, unless a method 1 style rating will cover 100% of the fire district. The Department agrees to endeavor in good faith to make changes to its internal systems to obtain the Class 6 rating for all of the structures within its District.

The Department shall meet the then-current North Carolina Response Rating Schedule (NCRRS) requirements for fire hydrant testing and maintenance (at least once every five years) to receive full credit under the NCRRS. The Department shall not perform hydrant flushing activities between Memorial Day and Labor Day. The Department shall allow the County to review and copy the Department's hydrant flow, and maintenance records. A copy of all hydrant flow data

shall be provided to the utility after completion. Records of fire hydrant tests and maintenance conducted by the Department shall be available for review by the Fire Marshal's Office.

The Department shall give Davie County Public Utilities forty-eight (48) hours' notice and receive prior approval from Davie County Public Utilities prior to flushing, testing or using fire hydrants located within the County, except for use during an actual emergency. The Department agrees that it will refuse all requests from all citizens to use fire hydrants to fill swimming pools. To ensure that the Department receives full credit for having access to a working set of fire hydrants, the County agrees that it will repair any non-working fire hydrants within forty-five (45) days of being notified by the Department that a fire hydrant is not working. The Department shall notify the Davie County Public Utilities Department a minimum of 48 hours in advance of any scheduled live burn training event if the Department intends to use a Davie County fire hydrant, and the Department shall provide the address and date of the training event, in order to meet possible water demands for the training event.

In the event that the Department's ISO rating is lost solely due to the Department's inability to meet the required ISO standards, or if the Department is placed on probation by the North Carolina Department of Insurance, the Department agrees immediately to undertake and to implement such reasonable actions as may be deemed advisable by the Department to improve its ISO rating to a level reasonably achievable under the circumstances as they exist at that time. The Department shall prepare and submit to the County a plan to obtain its previous ISO rating again within a one (1) year period. The plan shall be submitted within 30 days of the time when the Department is notified of having a rating increase. The plan shall include specific steps to be taken to attain the previous ISO rating, including, without limitation, a project timeline and the projected costs associated with taking the corrective action.

In the event the Department believes its rating increased due to the action of the County, the Department shall notify the County Manager. For example: If points are deducted from the Department's ISO rating because the County's communication center or the County's water system is not functioning adequately, the County shall endeavor in good faith and with due diligence to work with the Department to quickly improve any of its systems which have caused the ISO rating to increase.

## **SECTION 7 – RESPONSE TIMES AND RESPONDING PERSONNEL**

The Department and the County mutually agree that Department's response times, and the amount of trained personnel on emergency scenes are an essential component of providing an acceptable level of service to the community. The parties agree that the Department will adopt a goal of having the Department's response times, and on-scene staffing meet the standards set forth in the National Fire Protection Association (NFPA) Standard 1720. The County and the Department agree to collaboratively monitor response times, on-scene staffing levels and to develop strategies to address any response time, and/or on-scene staffing issues if they arise.

Response times will be measured beginning with dispatch time as reported in the Computer Aided Dispatch ("CAD") Event Report and ending with the On-Scene Time as reported in the CAD Event Report. For fire or rescue calls, On-Scene Times will be measured when the first fire

suppression apparatus arrives on the scene. For medical calls, On-Scene Times will be measured when a medically trained member of the Department arrives on the scene with a radio.

If the Department fails to meet the goals set forth in NFPA 1720, the following shall take place: (1) a plan of strategies aimed at complying with NFPA 1720 using the Department's existing resources shall be developed; and (2) the Department's Board of Directors shall approve of the plan. After the plan has been approved, if the Department fails to implement the strategies outlined in the plan, that failure may be considered by the County as a breach of the Agreement.

In the event there are more than three incidents of rescue or fire during any one fiscal year when the Department is dispatched but does not respond, those failures to respond may constitute a breach of contract. If the Department has more than three such failures, the Fire Commission shall assess the events and the circumstances then existing, and the Department's ability to respond. After its investigation, if the Commission is of the opinion that the Department could have responded to the calls using the existing resources, the Commission may recommend that the County deem this Agreement to have been breached, or may recommend that the County not deem the Agreement to have been breached.

## **SECTION 8 - DEPARTMENT TRAINING**

The Department agrees to adopt guidelines, no later than ninety (90) days from the Effective Date of this Agreement, which address appropriate initial training and continuing education of firefighters of the Department. These guidelines will ensure that such initial training and continuing education strive in good faith to meet or exceed all requirements of the State of North Carolina, including, without limitation, a minimum standard of thirty-six (36) hours of fire training per Department member annually.

The Department shall also maintain training records for each volunteer or employee on its roster. Training records shall include, but not be limited to, the following: names of courses that have been completed, time spent in training for each course, the course dates, instructors, and the place where the course was held.

The Department agrees to submit a budget approved by its Board of Directors to the County Manager based upon the Department's estimate of the costs of providing service for the upcoming fiscal year. The Department agrees to provide its budget submittal in a form specified by the County. The Department shall provide in its budget submittal sufficient information for the County to determine the source(s) and estimated amounts of all revenue anticipated by the Department for the coming Fiscal Year.

#### **SECTION 10 - COLLECTION OF FIRE TAXES—ANNUAL COUNTY ALLOCATION**

It is understood and agreed by the parties that the amount of the Fire Taxes imposed by and through the Board of Commissioners is an estimate of the Taxes required to generate anticipated revenues. The total amount of revenue generated is contingent upon the collection rate in a given Fiscal Year.

Pursuant to the budgetary authority set forth in N.C.G.S § 159-13, the amount appropriated to the Department for Fiscal Year 2019-2020, and for any fiscal year thereafter that this Agreement remains in effect, is ultimately determined and adopted since the last budget submission by the Board of Commissioners as deemed in its discretion.

When determining the Annual County Allocation, the County shall take into account whether or not the Department provides Medical Responder services, and those Departments which do provide Medical Responder services may be funded at a higher comparative level than Departments which do not provide the service.

#### **SECTION 11 - PAYMENT OF FUNDS TO THE FIRE DEPARTMENT**

After the Department and the County have properly executed this Agreement, The County agrees to pay the Department the Annual County Allocation appropriated by the Board of Commissioners for the Fiscal Year. The County will remit four (4) quarterly payments annually to the Department no later than the last day of July, October, January and April.

Any fire or rescue agency that fails to comply or make satisfactory improvements to comply with the Fire and Rescue Protection Agreement, shall have all future allocated payments suspended or revoked by the County until sustainable improvement has been demonstrated and approved by the Davie County Fire Commission, subject to the provisions set forth in Section 26 below.

The Departments shall provide a copy of the IRS Form 990s, the Department's audit (if there was an audit), and the auditor's accompanying memorandum. The County and the Department agree that the Department shall operate and act as an independent contractor in accordance with the standards set forth herein, and the County shall not be responsible for any of the Department's acts or omissions.

The County agrees, at the conclusion of the fire origin and cause determination, to complete the investigation module of the incident report in the County's records management system and to provide the Department with a copy of the County's incident report in a timely manner for the Department's required entry into its fire reporting software.

### **SECTION 23 - NATIONAL INCIDENT MANAGEMENT SYSTEM (NIMS)**

The National Incident Management System (NIMS) is a systematic, proactive approach to guide departments and agencies at all levels of government, nongovernmental organizations, and the private sector to work together seamlessly and manage incidents involving all threats and hazards—regardless of cause, size, location, or complexity—in order to reduce loss of life, property and harm to the environment. NIMS guidelines and policies currently in effect are published by the Department of Homeland Security and were originally established by Presidential Directive. The Department shall use NIMS on all incidents.

### **SECTION 24 - FIRE DISTRICT**

The primary District of the Department includes the property lying within the boundaries of the District as described in Exhibit "C."

### **SECTION 25 –MUTUAL AID AGREEMENT**

N.C.G.S. § 58-83-1, authorizes mutual aid assistance between fire departments. fire departments are allowed to exercise full authority to send firefighters and apparatus beyond the territorial limits of the primary District which they normally serve.

The Department agrees that it will enter Mutual Aid Agreements with other Departments which are independent corporations only for the purposes of assisting with emergency situations and complying with the terms of this Agreement.

The Emergency Management Department, the Fire Marshal's Office, or another agency may notify the Department that its automatic or mutual aid is needed. When the Department is notified that an emergency does in fact exist and Department's aid is needed, the Chief or another person delegated that authority by the Chief, shall have the authority to order available apparatus,

equipment, and personnel as may be required and available to respond to assist with the emergency. The Chief or other person delegated authority by the Chief shall first determine that the automatic aid or mutual aid request may be honored without impairing the Department's capacity to provide protection within its own jurisdiction. When that determination is made, the Chief or other person delegated authority by the Chief may take appropriate action with regard to furnishing the requested aid.

The Department providing assistance shall be responsible for the conduct and actions of its personnel and the costs arising out of the use of its personnel and the use of apparatus, equipment or tools.

The Department waives any claim it may have against the County which claim may be based on the fact that the Department entered into a Mutual Aid Agreement, or that the County requested or required that mutual aid be provided to another Department.

## **SECTION 26 - BREACH OF CONTRACT-- SUSPENSION OF FUNDING-- PROCEDURE**

In the event the Department fails to comply with the requirements of this Agreement, the payment of County funds may be suspended. The parties understand and agree that fire protection and other emergency services are critical to the health, safety, and welfare of the citizens of Davie County, and that it is impossible for the Department to provide those services without adequate funding. If the County determines that the Department has failed to comply with the requirements of this Agreement, including the requirements that the Department maintain its non-profit status with the Internal Revenue Service and the requirement that the Department maintain its corporate status by making regular filings and payments to the Secretary of State's office, before the County suspends the quarterly payments, the parties will proceed as follows to prevent the disruption of services.

1. The County shall notify the Chief and Chairperson of the Department's Board of Directors in writing of the deficiencies, specifying all items to be changed, improved, or stopped. Service of notice on the Chief and the Department's Board Chairperson shall be notice to the Department
2. After it receives notice, the Department shall have thirty (30) days to cure any such deficiencies. At the expiration of the 30-day cure period, the County shall make a second inspection to determine if the deficiencies have been cured, or if appropriate steps have been completed which are likely to cure the deficiencies.
3. If, after the inspection, the County's Fire Marshal's Office determines that the deficiency or deficiencies have not been cured, and that sufficient efforts to cure the deficiency or deficiencies have not been undertaken, the Fire Marshal's Office shall notify the County Manager, the County Fire Commission and Chairman of the Department's Board of Directors in writing. Service of notice on the Department's Board Chairperson shall be notice to the Department.

4. After notice to the Department's Board Chairperson, the County Manager may suspend payments by the County to the Department until such time as the Department shall meet the minimum requirements of this Agreement.

## **SECTION 27 - TERM AND TERMINATION**

- A. **Term:** This Agreement shall commence on the Effective Date and shall remain in full force and effect for an initial period ending on June 30, 2023, at midnight ("Initial Term") unless earlier terminated as provided herein. Upon the expiration of the Initial Term and each subsequent renewal term, this Agreement shall automatically renew for an additional term of one year thereafter, based on the County's fiscal year period from July 1st through June 30th of each year; unless modified by mutual Agreement or terminated by either party as provided herein.
- B. **Termination:** This Agreement may be terminated as follows:
  1. **For Cause:** By either party, hereto in the event the other party breaches any of its material obligations if the procedure set forth in Section 26 has been completed, and the breach continues to exist.

Certain specific situations are of such consequence that the Agreement may be terminated For Cause without following the procedure set forth in Section 26. The following specific actions by the Fire Department shall allow the County to terminate the Agreement For Cause upon five (5) days' notice:

a) **Bankruptcy or Receivership:** If the Fire Department:

1. Is placed in a Receivership pursuant to Article 38 of Chapter 1 of the General Statutes or is placed in any type of bankruptcy pursuant to 11 U. S. Code 101, et. seq.; and
2. If the proceeding is not discharged or vacated within sixty (60) days of being filed; and
3. If termination of the Agreement is approved by the Court administering the bankruptcy or receivership.

b) **Insolvency:** If the Fire Department is adjudicated insolvent, under state and/or federal regulation, or by a Court having jurisdiction to make that determination.

c) **Cessation of Operation:** If the Department ceases to do business or otherwise terminates its business operations.

d) **Non-Approved Merger:** If the Department is a party to a merger other than an Approved Merger as defined in this Agreement.

e) **Transfer of Assets:** If the Department makes a transfer of assets that does not comply with Section 28.

- f) **Accounting Deficiencies:** If the Department is unable or unwilling to make a satisfactory plan for correcting any deficiencies found to exist by an auditor.
  - g) **Loss of Non-profit Status:** If the Department loses its non-profit status with the Internal Revenue Service of the State of North Carolina.
2. **Municipal Takeover:** The County or Department may terminate this Agreement on one-hundred and eighty days (180) days' prior written notice in the event a municipality or municipalities within Davie County begin(s) to provide the Services provided by the Department or otherwise contracts independently with the Department for the Services within the municipal limits such that the County loses jurisdiction for providing the Services within all or substantially all of the Department's District.
  3. **Without Cause upon Notice:** Either party hereto, upon notice of one-hundred and eighty days (180), may terminate this contract.
  4. **Non-Renewal Notice:** The parties hereto may terminate this Agreement at the end of the term upon written notice to the other party no later than one-hundred and eighty days (180) days prior to the expiration of the Agreement.
  5. **Notices:** Notices required in this Section shall be reasonably specific concerning the cause for termination and shall specify the effective date and time of termination.
  6. **Effect of Termination:** Termination of this Agreement for any reason shall not release any party hereto from obligations incurred under this Agreement prior to the date of termination. All services required to be performed under the terms of this Agreement shall be provided through the effective date of termination, and all payments which come due from the County to the Department through the effective date of termination shall be paid. Termination of this Agreement for any reason shall not form the basis of any claim for loss of anticipated profits by either party.
  7. In the event this Agreement is terminated, or it expires, and is not renewed, and if, as a result, the Department ceases to conduct business, the provisions of Section 28 shall control any disposition of the Department's net assets.

## **SECTION 28—ACQUISITION AND DISPOSITION OF DEPARTMENT PROPERTY**

- A. **County's Interests:** The County has an interest in being assured that the Department's assets will be acquired and disposed of in a legal manner and for written consent of the use of the taxpayers of Davie County because it assists with the funding for ongoing operations of the Department. The County also has an interest in being assured that the net assets purchased with County funds be used to provide a service to its residents.

B. **Applicable Law Limitations on the Department's Legal Ability to Disposition of its Assets:** The Department is required by this Agreement to follow all Applicable Law in conducting its business. The Department cannot agree to a term of this Agreement which contravenes Applicable Law. Examples (but not an exhaustive listing) of Applicable Laws which may control whether the Department has any net assets to be disposed of are as follows:

1. **Merger:** In the event of an Approved merger, the Department will comply with the provisions of its Articles of Incorporation, its Bylaws, and the provisions of Article 11 of Chapter 55A of the General Statutes of North Carolina and with its Plan of Merger.

Fire Departments regularly merge with other neighboring Fire Departments in order to limit administrative and other costs, to provide better leadership, to provide more uniform and improved types of services, to make more efficient use of resources and for other reasons. Ordinarily, when two non-profit Fire Departments merge, one of them assumes all the debts, obligations and contractual obligations of the other and receives all the assets and contractual rights of the other. Existing Agreements are not terminated, but they continue in effect and are honored by the surviving Department.

It is not the intention of either party to prevent the Department from being a party to an Approved Merger as that term is defined in this Agreement. In the event of an Approved Merger, there will be no net assets to be disposed of. If there are remaining assets to be disposed, they will be disposed of as provided in this Section.

If the Department is a party to an Approved Merger, it shall arrange that the surviving entity to whom assets may be transferred will complete payment of all its debts and obligations.

2. **Transfer of Assets:** The Department will only make a transfer of assets in compliance with the provisions of its Articles of Incorporation, its Bylaws, the provisions of Article 12 of Chapter 55A of the General Statutes of North Carolina, the Internal Revenue Code, and with this Section of this Agreement.
3. **Dissolution.** In the event of dissolution, the Department will comply with the provisions of its Articles of Incorporation, its Bylaws, and the provisions of Article 14 of Chapter 55A of the General Statutes of North Carolina and all other Applicable Law and with this Section of this Agreement.
4. **Distribution:** The Department will not make a distribution except upon dissolution. If the Fire Department disposes of some of its property during the course of normal business operations, it shall do so as provided in this Section. In the event of distribution upon dissolution, the Department will comply with the provisions of its Articles of Incorporation, its Bylaws, and the provisions of Article 13 of Chapter 55A of the General Statutes of North Carolina, all other Applicable

Law, and with this Section 28 of this Agreement. Any remaining assets shall be distributed as provided in this Section.

5. **Mortgages and Security Agreements:** At times, a Department may place a lien upon its property to secure a loan in the course of normal business operations. If there is a lien attached to an item of real or personal property, the lienholder must be paid and satisfied before that property can be transferred to any other entity. Any net assets remaining shall be disposed of as provided in this Agreement. A Department shall not cause a lien to be placed on any property which is owned by the County, including but not limited to any radio equipment purchased by the County and loaned to the Department without consent by the County Manager.
  6. **Bankruptcy and Receivership:** The Department will comply with the terms of the United States Bankruptcy Code if it is placed in bankruptcy, or with the terms of Article 38 of Chapter 1 of the General Statutes of North Carolina if a Receiver is appointed by the North Carolina Courts to control its operations. Any net assets remaining shall be distributed as provided by this Section.
- C. **Acquisition of Property with Funds from a Federal Agency:** If the Department receives any funding from a federal agency, the Department shall adopt a procurement policy that meets federal standards.
- D. **Disposition of Property Acquired Before the Date of this Agreement During the Normal Course of Business:** Within the confines of its Articles of Incorporation, its Bylaws and Chapter 55A of the General Statutes, and other Applicable Law, The Department will obtain a reasonable value for any property it owns having a substantial value of more than \$5,000.00, which property has been purchased in whole or in part with County funding. The County, as well as Fire Departments within the County, shall have the option to purchase the property prior to the property being offered to an outside organization. Any proceeds obtained from the sale of property acquired, in whole or in part, with Fire Tax shall be used in the same manner as Fire Tax.
- E. **Disposition of Property Purchased After the Effective Date of Agreement.** Any equity remaining either as assets or as proceeds from the sale of assets which were purchased with Fire Tax Funds and/or County general funds after the effective date of this Agreement and which remains after the Department complies with all Applicable Law shall be returned to the County within ten days of the time it is determined to be excess, unless otherwise agreed to by the fire or rescue agency and County Manager.
- F. **Disposition of Assets upon Dissolution.** If the Department is dissolved, Chapter 55A and all other Applicable Law requires the Department to liquidate its assets and pay its debts. To the extent that all Applicable Law allows, the Department shall distribute all assets remaining after the payment of debts in the following order of priority:
1. To a non-profit entity or government entity providing fire protection within the District of the Department.

2. If there is not a non-profit entity as described in 1. above which wants the property, then the Department shall transfer its remaining assets to a non-profit entity which provides fire and/or rescue services to Davie County.
3. If there is not a non-profit entity as described in 2. above which wants the remaining assets, the Department shall transfer its remaining assets to the County.

G. **When Section Not Applicable.** Paragraph F. of this Section shall not apply if the County terminates this Agreement and begins to provide fire protection and rescue services through a County Agency, notwithstanding the facts (1) that the Department is in compliance with this Agreement, and (2) has not breached the Agreement, and (3) the Department is able and willing to continue to comply with this Agreement.

## **SECTION 29—COMPLIANCE WITH LAWS ABOUT EMPLOYING IMMIGRANTS, IRAN DIVESTMENTS, ISRAEL, AND CONSTITUTIONAL LIMITS ON INDEMNIFICATION**

At all times when this Agreement is in effect, neither Party to it shall do, or encourage the doing of any act or omission which does or possibly could place the Party in any jeopardy of being accused of violating any of the following State or Federal laws, and each Party shall comply with them fastidiously and to the letter:

- A. **E-Verify Certification:** At all times during the performance of the Agreement, all parties shall fully comply with Article 2 of Chapter 64 of the General Statutes, and shall ensure compliance by any subcontractors utilized. All parties shall execute an affidavit verifying such compliance upon request by County.
- B. **Iran Divestment Act Certification:** All parties executing this Agreement thereby affirm they are not listed on the Final Divestment List created by the State Treasurer pursuant to Article 6A of the Iran Divestment Act, nor shall they utilize any subcontractor in the performance of the Agreement that is identified upon said list.
- C. **Divestment from Companies that Boycott Israel:** All parties hereby certify that they are not on the North Carolina State Treasurer's list, prepared pursuant to NCGS 147-86.80 et. seq., of companies engaged in a boycott of Israel, and that they will not utilize in the representation of the County pursuant to this Agreement any firm on said list.
- D. **Constitutional Limitation on County Indemnification:** The parties acknowledge and understand that an unlimited indemnification by County constitutes a violation of the North Carolina Constitution, and is void and unenforceable by operation of law. Any indemnifications given by County to any party under the Agreement shall be deemed to be given only to the fullest extent allowed by law.
- E. **Constitutional Limitation on Eminent Domain:** All Parties certify and agree that without regard to the provisions of this agreement, neither Party shall deprive the other of property without just compensation, as provided in Amendment V of the United States Constitution.

## **SECTION 30 – TERMS & CONDITIONS RIDER**

The Department and the County agree to abide by the North Carolina Local Government Contractual Terms and Conditions Rider that is included as EXHIBIT E to this Agreement.

## **SECTION 31 – SEVERABILITY**

The provisions hereof are severable, and should any provision be determined to be invalid, unlawful or otherwise null and void by any court of competent jurisdiction, the other provisions shall remain in full force and effect and shall not thereby be affected unless such ruling shall make further performance hereunder impossible or impose an unconscionable burden upon one of the parties. The parties shall endeavor in good faith to replace any invalid, illegal, or unenforceable provisions with a valid provision, the rights, and obligations of which come as close as practicable to that of the invalid, illegal, or unenforceable provision.

## **SECTION 32 - DISPUTE RESOLUTION AND FORUM SELECTION**

This Agreement shall be governed by and in accordance with the laws of the State of North Carolina without regard to its conflict of laws rules. All actions relating in any way to this Agreement shall be brought in the General Courts of Justice in Davie County, North Carolina. Any mediation of any dispute arising under this agreement shall be conducted in Davie County, North Carolina unless both parties agree on some other location.

The County and the Department recognize, acknowledge and agree that either party's resort to formal legal proceedings may involve substantial commitments of time and resources and may cause unnecessary disruption of the service each party provides to the community; therefore, to the extent that either party contends the other has failed to meet the obligations of this Agreement, the parties agree that they will follow the pattern for dispute resolution set forth hereafter:

- A. **Injunctive Relief.** Notwithstanding the provisions of this Section 32, either party may bring an action in a court having jurisdiction in equity for immediate and emergency injunctive relief. Any such action or actions in a court exercising its emergency powers in equity for preliminary or permanent injunctive relief shall be deemed an exception to the requirement that any claim be first submitted to mediation as detailed herein.
- B. **Mandatory Pre-filing Mediation.** Except as provided in Subsection 32 A, before either Party initiates a lawsuit, the parties agree to participate in mediation. Mediation shall be conducted within forty-five (45) days (or such other period as is mutually agreeable to the parties) from the time when one party sends written demand to the other. Unless the parties agree otherwise, the Mediator shall be a mutually agreed upon and Certified North Carolina Superior Court Mediator. The mediation shall be conducted in accordance with the Rules Implementing Statewide Mediated Settlement Conferences in Superior Court Civil Actions and in accordance with the rulings of the N. C. Dispute Resolution Commission. Unless otherwise agreed, each Party will bear its expenses in pursuing mediation, and the

parties will share equally in the fees charged by the Mediator. Any statute of limitations will be tolled for the period from the demand for mediation through the conclusion of the mediation.

- C. **Litigation If Mediation Unsuccessful.** In the event that the Parties participate in mediation as provided in Section 32 B, but do not resolve the issues between them in the mediation process, or if a Party violates this agreement by refusing to participate in mediation, either Party may file a lawsuit in the General Court of Justice in Davie County.

### **SECTION 33 - NOTICES**

Except in the case of an Approved Merger as provided in Section 28, this Agreement is not transferable or assignable by either party without the written consent of the other party to this Agreement which shall not be unreasonably withheld.

### **SECTION 35 - NO WAIVER**

Failure of a party to enforce any of the provisions of this Agreement at any time, or to request performance by the other party pursuant to any provision of this Agreement shall in no way be construed as a waiver of any such provision, nor in any way affect the validity of this Agreement, or any part thereof, or the right of the non-enforcing party to enforce each and every provision of this Agreement.

Any such instrument(s) together with any and all exhibits, addenda, riders and/or any other instruments attached to, or incorporated by reference therein, shall be collectively referred to hereinafter as the "Contract".

**WITNESSETH:**

WHEREAS, County is a body politic of the State of North Carolina, subject by operation of law to certain additional rules, regulations, and laws applicable to public and/or governmental bodies including without limitation certain operational and contractual requirements; and

WHEREAS, the risk of financial default under a contract entered into by such a governmental body is substantially lower than the ordinary risk of financial default attributable to private or commercial entities; and

WHEREAS, County has established this LGR for the non-exclusive purposes of expediting its contract review and approval process, to document notice of its governmental status, and to protect its citizens and the public at large from illegal or unfair obligations otherwise imposed under certain adhesion contracts; and

WHEREAS, County is prohibited by applicable law from executing the Contract without modification by this LGR, or has otherwise determined it is not in the best interests of its citizens and the public at large to do so without the additional terms and conditions of this LGR being made a part thereof.

NOW THEREFORE, in exchange of the mutual covenants made herein, and for other good and valuable consideration exchanged between the parties, the sufficiency of which is hereby acknowledged, including but not limited to the inducement of County to enter into the Contract as modified by this LGR, the parties agree as follows:

**PART A: AMENDED CONTRACT TERMS:**

1. **Contract Incorporation:** The terms and provisions of this LGR shall be deemed fully and completely incorporated into, agreed to and accepted by, all parties entering into any contract which references their existence in any way; including to the fullest extent permitted by law, incomplete or non-specific references to their existence where any party could with reasonable due diligence have ascertained the existence and content of its terms. Each party entering into any such Contract further agrees that the incorporation of this LGR into the terms and conditions of the Contract shall be deemed to be a material condition precedent to County's acceptance of such Contract, and to the validity and enforceability of said Contract against County by any party thereto. Partial performance by any party under such a Contract without formal execution

thereof, shall be considered as agreement to, and acceptance of, these LGR terms and conditions.

2. Contractual Conflict & Precedence: Notwithstanding any statement or provision within the contract to the contrary, and except for any "Additional Terms & Conditions" agreed to between the parties pursuant to the immediately following paragraph, the terms and conditions of this LGR shall supersede, control over, and prevail in the event of any conflict with any differing or contrary terms or conditions of the contract. Except to the extent they are inconsistent with or modified by this LGR, the terms and conditions of the contract shall remain in full force and effect.
3. Additional Terms & Conditions: To the extent the parties require any additional or specific modifications or amendments to the Contract, or to this LGR itself, the same shall be reduced in writing and attached to the Contract labeled as "Additional Terms & Conditions" which shall clearly reference the Contract to which it applies, shall state that it takes precedence over, and shall control in the event of any conflicts with, both the Contract and any Local Government Rider", and shall be separately signed by all parties concurrently with their execution of the Contract instrument(s).

## **PART B: STANDARD LOCAL GOVERNMENT PROVISIONS:**

1. Public Records & Confidentiality: County is required to comply with certain applicable statutes of the State of North Carolina regarding open meetings and/or open records. Notwithstanding anything to the contrary within the Contract, County shall not be liable to any party for disclosing the Contract, or any documents or communications made or received in relation thereto, to any third party or the public at large, if such disclosure is made by County in a good faith effort within its sole discretion, to comply with any public records request or other applicable laws.
2. Limitation on Contractual Authority: Only the County Board of Commissioners, the County Manager, or another agent specifically designated in writing by either to exercise their respective authority related to the Contract shall be authorized to enter into, modify, or otherwise bind the County to the Contract in any way. Any such action shall be taken only by the signed written consent thereof, and no party shall rely upon any verbal communications, or otherwise upon the authority of any other agent of the County in lieu thereof. This provision shall apply to prevent any inadvertent or passive modifications to the terms of the Contract through communications between the parties as may otherwise be allowed by law, including but not limited to any such provisions of the North Carolina Uniform Commercial Code, if applicable.
3. Limitation Upon Partial/Progress Payments for Goods/Materials to be Delivered: Payment (partial or otherwise) for any physical goods or materials to be provided to the County pursuant to the Contract, shall not be due or owed by the County until after actual delivery and acceptance of any such physical items.
4. E-Verify Certification: At all times during performance of the Contract, all parties shall fully comply with Article 2 of Chapter 64 of the General Statutes, and shall ensure compliance by any subcontractors utilized. All parties shall execute an affidavit verifying such compliance upon request by County.
5. Iran Divestment Act Certification: All parties executing this Contract thereby affirm they are not listed on the Final Divestment List created by the State Treasurer pursuant to Article 6A of the Iran Divestment Act, nor shall they utilize any subcontractor in the performance of the

Contract that is identified upon said list.

6. Divestment from Companies that Boycott Israel: All parties hereby certify that they are not on the North Carolina State Treasurer's list, prepared pursuant to NCGS 147-86.80 et. seq., of companies engaged in a boycott of Israel, and that they will not utilize in the representation of the County pursuant to this Contract any firm on said list.
7. Constitutional Limitation on County Indemnification: The parties acknowledge and understand that an unlimited indemnification by County constitutes a violation of the North Carolina Constitution, and is void and unenforceable by operation of law. Any indemnifications given by County to any party under the Contract shall be deemed to be given only to the fullest extent allowed by law.
8. Contingent Funding/Non-Appropriations Clause: Notwithstanding anything to the contrary within the Contract or this LGR, all financial obligations of the County under the Contract are dependent upon, and subject to, the continuing allocation of funds by the County Board of Commissioners for such purpose. The Contract shall automatically terminate if such funds cease to be allocated or available for any reason.
9. Not to Exceed (NTE) Cap: Unless otherwise approved in writing by County, the total amount of compensation payable by County to all parties under the Contract during each fiscal year of County (running from July 1 to June 30 of the following calendar year) shall not exceed the amount, if any, which is specifically listed within the Contract as **"Total annual compensation hereunder Not to Exceed \$ NA - base amount unless new formula is developed"** <sup>without County Manager's prior written approval</sup> <sup>CF</sup>. This amount is the total combined budget normally allocated for the services rendered under the Contract, and may be increased unilaterally by County from time to time, only through the written approval of the County Manager which may be given via email.
10. Pre-audit & Purchasing Policy Notices: Per NCGS § 159-28 no contract with a local government including County requiring the payment of any public funds is valid unless properly pre-audited in the manner required by said statute. The Contract must contain a Pre-audit Certificate signed by the County Finance Officer or their Deputy which shall take the substantially the following form "This instrument has been pre-audited in the manner required by the Local Government Budget and Fiscal Control Act." Failure to obtain a pre-audit upon the Contract makes the contract invalid and unenforceable per state law. Additionally, pursuant to County purchasing policies, no obligation of \$500 or more for any goods sold or services rendered to County is validly enforceable without a valid signed contract, or a signed Purchase Order for such goods or services. Contact the County Finance Office at 336-753-6022 with any questions or for further information related to this provision.

6. Signature Warranty: Any party executing the Contract as a corporate or other legal entity represents to the other parties hereto that such entity is duly organized, validly existing, and in good standing under the laws of the State of North Carolina or otherwise under the laws of the State of its formation, and is qualified to transact the business contemplated herein within the State of North Carolina, and further that any such party executing the Contract on behalf thereof, has the full power and authority to do so without any further authorization being required from any party, and thereby legally binds said entity to the terms and conditions of this Contract.
