Chiefs,

Thank you to those who have gotten feedback to us regarding the proposed drafts of the Fire/Rescue Ordinance and Contracts. We look forward to continuing to receive feedback from each of you as we work on a final version.

Some of you have noted that you would like more time to review the drafts. Therefore, the Commissioners have stated that they are willing to vote on the final drafts in May instead of at their April meeting. In addition, they will also hold a special called meeting with the Fire Chiefs on the evening of 4/15 at 6:00PM. It is important that each Department provides feedback to Brian Byrd on the proposed Ordinance and Contracts before this date in order to best prepare for the 4/15 special called meeting.

At the 4/15 special called meeting with the Chiefs, we hope to have an open forum and positive dialogue. Our goal continues to be the creation of the best ordinance and contract that is acceptable to the majority of the Departments and our citizens.

Sincerely,
