Davie County Fire / Rescue Chief

Chief

The current Fire Department and Rescue Squad Agreement (contract) has been in effect since December 2015. Notice was given in July 2019 that this contract would expire in January 2020 (180 days from your receiving our prior letter), and would be superseded by a new contract. Since this time, we have received feedback from all parties. We know that you originally asked the County to delay any changes in the current contract until July 1, 2020. In order to not rush the process, we agree, and will maintain the current contract agreement until July 1, 2020.

We are working with your Association through Keith Bost to create a new contractual agreement that meets the needs of all parties involved. We look forward to working together to design a mutually supportive contract. We hope to have a draft version sent to you in the next few weeks for your review, with the implementation goal of July 1, 2020.

Thank you for all that you do for the citizens of Davie County.

Sincerely,

A handwritten signature in black ink, appearing to read "JK Eller".
