RE: Grant Application Period FY 2020-2021
Application Deadline – Friday, February 14, 2020

Davie County Recreation and Parks (DCRP) is pleased to announce the 2020-2021 cycle of the Community Recreation Agency Grants program. Community Recreation Agency Grants focus on supplemental funding for qualified non-profit agencies within Davie County interested in partnering with Davie County Recreation and Parks to carry out its mission and vision through the promotion of recreational fitness, health, wellness and quality of life initiatives. It is the intent of this grant to be a financial assistance program for capital improvements and community based program activities that increase recreational opportunities for the communities served and shall not be a designated donation or sponsorship opportunity.

The mission of DCRP is to enrich the quality of life in Davie County by offering exceptional recreational experiences through a diverse system of programs, events, parks and cultural resources. Eligibility requirements, application standards and the grant application will be posted and available (online only) through the DCRP website on December 16, 2019. Applications will not be mailed, and only those grant applications completed online will be reviewed. Access to applications may be found at: <http://www.daviecountync.gov/DCRPGrant>. Signed applications must be received online no later than 5:00 p.m. on February 14, 2020. Applications received after this date/time will not be considered under any circumstances. Applications will be evaluated in a three phased process including a) Recreation and Parks Staff, b) Recreation and Parks Advisory Board, and c) Davie County Board of Commissioners. The Board of Commissioners will determine final approval of the recommended grant awards with all organizations being notified via e-mail in July 2020.

Additionally, DCRP in conjunction with Davie County Tourism and Mocksville Tourism Development Authority will host a community grants workshop at the Brock Recreation Center on Thursday, January 9, 2020 from 3:00 p.m.-5:00 p.m. Applicants who are considering grant funding requests through any of these organizations are strongly encouraged to attend. The workshop will cover essential details and information for all three (3) grant applications offered through each of the aforementioned organizations.

For information or to RSVP to the workshop, please contact Paul Moore via phone at: 336-753-TEAM (8326) or via email at: pmoore@daviecountync.gov.

DCRP would like to thank your agency for helping us provide exceptional recreational experiences to the citizens of Davie County. We look forward to receiving your agency's grant request.
